Description

Zintra Etch, where acoustic absorption meets dynamic 3D design. With a range of subtle textures, Zintra Etch brings cutting-edge aesthetics and acoustic functionality to your commercial, hospitality, or institutional interior.

Discover the extensive selection of understated to statement Colours in Zintra Etch, allowing you to create a welcoming atmosphere while effectively managing sound. This cost-effective sound and design solution cultivates calming environments, promoting productivity and well-being.

Zintra Etch seamlessly integrates with plain Zintra panels, offering versatility in design coordination.

Experience the benefits of Zintra Etch, including pattern matching with seamless hidden joins (excluding VJ Angle and Kaleido). The panel size enables join-free installations from floor to ceiling, making the fitting process effortless.

Torus weaves together etched circles with a refined linear flow, creating a textured surface that invites light to interact and shift across the design. Its layered depth and rhythmic arrangement bring a unique sense of movement and sophistication, offering both visual intrigue and acoustic balance to any interior.

Zintra Etch is available in 24 great designs
