Care Instructions	Spot clean only with water-based upholstery shampoo or foam upholstery cleaner. To prevent overall soiling, frequent vacuuming or light brushing with a non-metallic, stiff bristle brush to remove dust and grime is recommended. When cleaning a spill, blot immediately to remove spilled liquid or material. It is recommended to pretest on a small inconspicuous area before proceeding to clean the surface of the upholstery. To avoid circling, clean stains from the outside to the middle of the affected area. While cleaning, be careful not to saturate the fabric surface. Pile fabrics may require brushing with a non-metallic, stiff bristle brush to restore plush appearance. Use a professional furniture cleaning service when an overall soiled condition has been reached.
Warranty	2-year warranty. Visit **baresque.com.au/warranty** for complete details.
