| Care Instructions         | Always use a clean, white, soft cloth.  |  |
|                           | Use cloth with any of the following in preferred order of us:   |  |
|                           | 1: Clear warm water   |  |
|                           | 2: Mild solution of liquid detergent and warm water   |  |
|                           |   |  |

3: Isopropyl Alcohol (a.k.a. rubbing alcohol)

4: Do not use solvent based cleaning agents, lacquer thinners, nail polish remover, pine oil or cleaning agents containing bleach, which may cause discoloration over a period of time.

5: It is recommended that cleaning be done with a natural sponge. A cloth or towel should only be used to tamp dry (not rub). Do not use manmade (i.e. polyester) sponges.
