Discover the dynamic Zintra XL Box Tile for superior acoustics. Large-format 76mm (3") box tiles combine texture, definition, and sound absorption for walls and ceilings.

Description

Large-format. Superior acoustic performance. Boxed. The Zintra XL Box Tile combines bold scale with exceptional sound absorption, targeting key frequency ranges with a 3" (76mm) depth and achieving an impressive NRC of 1.05.

Available in a wide range of finishes, and 10 tactile Etch designs, each tile adds texture, dimension, and visual impact. Install wall-to-wall, across ceilings, or use Print and Etch finishes to create striking large-format wall art.

Flat-packed with dovetail details for quick, efficient installation, the XL Box Tile is versatile, lightweight, and perfect for transforming commercial, hospitality, or educational spaces. Certified low VOC, CLEAN AIR GOLD, and designed for performance, it delivers style, function, and sustainability in one solution.

Etch designs available for fabrication for XL Box Tiles only:

Reed Bed | Tesselate | VJ Wide | VJ Angle | Venn | Ceramic | Offset | Stacked Plain | Stream Vertical | Stripe

How to Specify

1.Space Size

2 Select Application

3. Select Etch Design

4. Select Colour

Dimensions

1054mm (42") w x 2371mm (93") h x 76mm (3") d

Fire Rating

ASTM-E84 – Class A classification AS ISO 9705 – 2003 – Group 1 classification EN-13501 – B-s2-d0 classification

Supplied As

1 x XL Box Tile

4 x Corner Supports

2 x Cross Brace

16 x 1/2" (12mm) Clear Beams Clips

4 x 1" (24mm) Clear Beams Clips

6 x Size 8 1/2" Screws (for metal)

Acoustics » Tiles

Suggested
Installation

Supplied flat-packed for wall applications, including beam clips for assembly and direct fix. For ceiling applications, panels are pre-glued and include ASK's for suspension installation.

Download the Handling and Installation guide for full instructions.

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Warranty

5-year warranty. Visit baresque.com.au/warranty for complete details.

Customisable

The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.
